Quality for less

We understand that in order for our customers to be successful businesses we need provide quality, variety and competitive pricing so they can pass on these great savings to their customers

Convenience

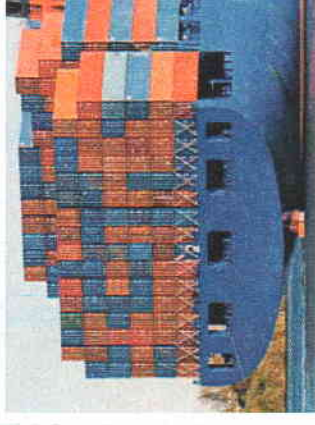

Whether you are purchasing by pallet, small truckload or container load we can arrange shipping.

We carefully pack and ship merchandise and work closely with a team of experts from our forwarding department to bring

you the best inland or overseas ocean freight quotes to your shipment destination.

We can also arrange packing and shipping from different distribution centers across the USA to save time and minimize freight costs.

Our premium products are obtained from the best sources containing cream quality and major retail brands.

We also sell bulk 20ft or 40ft container loads of secondhand unsorted used clothing and shoes among other household consumer products for sale and distribution to lower income groups in developing and emerging markets in Asia, Africa, Europe and Latin American Countries. Contact our sales representative for more information at sales@houseofragrecycling.com
