*Our eCommerce & Shipping Partners*

# AMAZON *(eCommerce Partner)*

XPS shipping software connects directly to your Amazon Seller Central account through our API. With our Amazon shipping integration, we're taking the time out of the shipping process and giving it back to you. We make it easy to import your orders, compare rates, create and print labels, and update the online status on every order.

## Keep Your Seller Rating High

Your seller rating is important to you and your customers. To keep your seller rating high, you need to constantly update your merchant account with the carrier name, shipping method, and tracking ID for 2-day, next day, and expedited shipments. This can be a time consuming process that takes your away from your business. XPS streamlines this process and automatically syncs this information back to your Merchant account without any manual data entry. Keep your seller rating high, your buyers happy, and get more time to be productive with XPS Shipping.

## XPS Supported Shipping Features for Amazon

✓ No user fees without restrictions on shipping volume, stores, channels, or carriers

✓ Deeply discounted USPS, UPS, FedEx, DHL shipping rates

✓ Import Amazon orders in real time or on a schedule

✓ Easy batch label printing for Amazon orders

# EBAY *(eCommerce Partner)*

Our integration with eBay is designed to put time and money right back into your hands. XPS gives you powerful and easy to use tools to help streamline your shipping process. A single login connects eBay to your account to instantly see all of your orders, import all your sales, and batch print your shipping labels. Our intuitive interface is designed around our users. With our superior live customer support, in just a few minutes you'll be all set up and ready to go.

## XPS Supported Features For eBay

- ✓ Use XPS's integration with eBay without user fees or hidden charges

- ✓ We support eBay Auctions

- ✓ Easily print single or batch labels and packing slips

- ✓ Best available discount on USPS shipping

- ✓ Web based platform means you can handle your shipping anywhere

- ✓ Automatically update eBay with tracking numbers & confirmed shipped status

- ✓ Send delivery confirmation tracking emails to customers automatically

- ✓ Multi-carrier shipping with USPS, UPS, FedEx, and DHL

*Our eCommerce & Shipping Partners*

# SHOPIFY *(eCommerce Partner)*

Improve the way you do your Shopify shipping with XPS's web-based shipping integration. We connect directly to Shopify to give you all the features you love about Shopify and combine it with the time and cost savings of XPS. Together, we'll help you efficiently streamline your orders so you can spend less time shipping and more time being productive.

## Get the Best Rates Anywhere

Whether you're a small or large merchant, there are no user fees to use our web-based integration. With XPS you get access to deeply discounted USPS rates with no restrictions on volume, stores, channels, or carriers. Take the hint from us and use XPS to get the best rates on your packages and keep all the features from Shopify you love.

## XPS Supported Features For Shopify
